Title 14: COURT PROCEDURE -- CIVIL
Chapter 7: DEFENSES GENERALLY

§151. PARTIAL FAILURE OF CONSIDERATION OF NOTE

In any civil action in which the amount due on a promissory note given for the price of land conveyed is in question and a total failure of consideration would be a defense, partial failure of consideration may be shown in reduction of damages.

§152. TRUTH JUSTIFIES LIBEL UNLESS MALICE
(REPEALED)

SECTION HISTORY
1985, c. 290, §1 (RP).

§153. MITIGATION OF DAMAGES IN ACTION FOR LIBEL

The defendant in an action for libel may prove in mitigation of damages that the charge was made by mistake or through error or by inadvertence and that the defendant has in writing, within a reasonable time after the publication of the charge, retracted the charge and denied its truth as publicly and as fully as the defendant made the charge. The defendant may prove in mitigation of damages that the plaintiff failed to notify the defendant of the libel in a timely fashion and that the defendant was therefore unable to lessen damage to the plaintiff's reputation. The defendant may prove in mitigation of damages that the plaintiff has already recovered or has brought action for damages for, or has received or has agreed to receive compensation for, substantially the same libel. [2009, c. 2, §30 (COR).]

SECTION HISTORY
1979, c. 663, §74 (AMD). 1985, c. 290, §2 (AMD). RR 2009, c. 2, §30 (COR).

§153-A. DEFENSE IN ACTION BASED ON MISUSE OF LEGAL IDENTIFICATION

It is a defense to a civil action for monetary damages that the damages arose from the misuse of a form of legal identification and the use of that identification has resulted in the conviction of a person other than the defendant under Title 17-A, sections 354 and 905-A. The defense may be raised only by the person whose identification was misused. [1999, c. 190, §1 (NEW).]

SECTION HISTORY
1999, c. 190, §1 (NEW).

§154. UNPROVED ALLEGATIONS
(REPEALED)

SECTION HISTORY
1985, c. 290, §3 (RP).

§155. NO ACTION ON DEMANDS DISCHARGED BY PARTIAL PAYMENT

No action shall be maintained on a demand settled by a creditor or his attorney entrusted to collect it, in full discharge thereof, by the receipt of money or other valuable consideration, however small.

§156. COMPARATIVE NEGLIGENCE

When any person suffers death or damage as a result partly of that person's own fault and partly of the fault of any other person or persons, a claim in respect of that death or damage may not be defeated by reason of the fault of the person suffering the damage, but the damages recoverable in respect thereof must be reduced to such extent as the jury thinks just and equitable having regard to the claimant's share in the responsibility for the damage. [1999, c. 633, §1 (AMD); 1999, c. 633, §3 (AFF).]

When damages are recoverable by any person by virtue of this section, subject to such reduction as is mentioned, the court shall instruct the jury to find and record the total damages that would have been recoverable if the claimant had not been at fault, and further instruct the jury to reduce the total damages by dollars and cents, and not by percentage, to the extent considered just and equitable, having regard to the claimant's share in the responsibility for the damages, and instruct the jury to return both amounts with the knowledge that the lesser figure is the final verdict in the case. [1999, c. 633, §1 (AMD); 1999, c. 633, §3 (AFF).]

Fault means negligence, breach of statutory duty or other act or omission that gives rise to a liability in tort or would, apart from this section, give rise to the defense of contributory negligence. [1999, c. 633, §1 (AMD); 1999, c. 633, §3 (AFF).]

If such claimant is found by the jury to be equally at fault, the claimant may not recover. [1999, c. 633, §1 (AMD); 1999, c. 633, §3 (AFF).]

In a case involving multiparty defendants, each defendant is jointly and severally liable to the plaintiff for the full amount of the plaintiff's damages. However, any defendant has the right through the use of special interrogatories to request of the jury the percentage of fault contributed by each defendant. If a defendant is released by the plaintiff under an agreement that precludes the plaintiff from collecting against remaining parties that portion of any damages attributable to the released defendant's share of responsibility, then the following rules apply. [1999, c. 633, §1 (AMD); 1999, c. 633, §3 (AFF).]

1. General rule. The released defendant is entitled to be dismissed with prejudice from the case. The dismissal bars all related claims for contribution assertable by remaining parties against the released defendant.

[1999, c. 633, §1 (NEW); 1999, c. 633, §3 (AFF) .]

2. Post-dismissal procedures. The trial court must preserve for the remaining parties a fair opportunity to adjudicate the liability of the released and dismissed defendant. Remaining parties may conduct discovery against a released and dismissed defendant and invoke evidentiary rules at trial as if the released and dismissed defendant were still a party.

[1999, c. 633, §1 (NEW); 1999, c. 633, §3 (AFF) .]

3. Binding effect. To apportion responsibility in the pending action for claims that were included in the settlement and presented at trial, a finding on the issue of the released and dismissed defendant's liability binds all parties to the suit, but such a finding has no binding effect in other actions relating to other damage claims.

[1999, c. 633, §1 (NEW); 1999, c. 633, §3 (AFF) .]

§158. DAMAGES FOR TORTIOUS CONDUCT OF CHARITABLE CORPORATIONS

A charitable organization shall be considered to have waived its immunity from liability for negligence or any other tort during the period a policy of insurance is effective covering the liability of the charitable organization for negligence or any other tort. Each policy issued to a charitable organization shall contain a provision to the effect that the insurer shall be estopped from asserting, as a defense to any claim covered by said policy, that such organization is immune from liability on the ground that it is a charitable organization. The amount of damages in any such case shall not exceed the limits of coverage specified in the policy, and the courts shall abate any verdict in any such action to the extent that it exceeds such policy limit. [1965, c. 513, §28 (NEW).]

SECTION HISTORY

1965, c. 513, §28 (NEW).

§158-A. IMMUNITY FOR CHARITABLE DIRECTORS, OFFICERS AND VOLUNTEERS

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Charitable organization" means any nonprofit organization organized or incorporated in this State or having a principal place of business in this State:

- (1) That is exempt from federal income taxation under the United States Internal Revenue Code, Section 501(a), because it is described in Section 501(c)(3), (4), (6) as it pertains to chambers of commerce only, (10), (13), (14)(A) or (19), including all subsequent amendments to those paragraphs. An organization is included in this subparagraph if it would be exempt from taxation under Section 501(c)(3) but for its engaging in attempting to influence legislation to the extent that it is disqualified from tax exemption under Section 501(c)(3); or
- (2) That is:
 - (a) Organized under the Maine Nonprofit Corporation Act for any of the purposes listed in Title 13-B, section 201, subsection 1, paragraph A;
 - (b) Organized under the provisions set forth in Title 13-B, section 201, subsection 2, paragraph A;
 - (c) Organized under the provisions of Title 13-B, section 201, subsection 3, paragraph D or E;
 - (d) Organized in Maine as a nonprofit corporation before January 1, 1978, for any of the purposes listed in Title 13-B, section 201, subsection 1, paragraph A, and to which the Maine Nonprofit Corporation Act applies; or
 - (e) Organized as a rural electrification cooperative under the provisions of Title 35-A, chapter 37.

This subparagraph applies to all subsequent amendments to the statutes covered by divisions (a), (b), (c), (d) and (e). [2007, c. 366, §1 (AMD) .]

B. "Director" means a person who serves without compensation, except that the person may be paid for expenses, on the board of trustees or board of directors of a charitable organization. [1987, c. 646, §2 (NEW) .]

C. "Officer" means a person who serves without compensation, except that the person may be paid for expenses, as an officer of a charitable organization. [1987, c. 646, §2 (NEW) .]

D. "Volunteer" means a person who provides services without compensation, except that the person may be paid for expenses, to a charitable organization. [1987, c. 646, §2 (NEW) .]

[2007, c. 366, §1 (AMD) .]

2. Immunity. A director, officer or volunteer is immune from civil liability for personal injury, death or property damage, including any monetary loss:

A. When the cause of action sounds in negligence and arises from an act or omission by the director, officer or volunteer which occurs within the course and scope of the activities of the charitable organization in which the director, officer or volunteer serves; or [1987, c. 646, §2 (NEW) .]

B. Arising from any act or omission, not personal to the director, officer or volunteer, which occurs within the course and scope of the activities of the charitable organization in which the director, officer or volunteer serves. [1987, c. 646, §2 (NEW) .]

[1987, c. 646, §2 (NEW) .]

3. Limited waiver of immunity while operating vehicles, vessels or aircraft. Notwithstanding any immunity granted in subsection 2, a director, officer or volunteer is considered to have waived immunity from liability when the cause of action arises out of the director's, officer's or volunteer's operation of a motor vehicle, vessel, aircraft or other vehicle for which the operator or the owner of the vehicle, vessel or craft is required to possess an operator's license or maintain insurance. The amount of damages in an action authorized by this section may not exceed the combined limits of coverage of any applicable insurance policies other than umbrella insurance coverage and the courts shall abate a verdict in an action to the extent that it exceeds such limits. A provision in a policy of insurance that attempts to exclude coverage for claims that are authorized by this section is void as contrary to public policy.

1. Liability limited. A charitable organization or other entity approved pursuant to Title 15, section 3301 or 3314 or pursuant to Title 17-A, section 1345 is not liable for a claim arising from death or injury to a person or damage to property caused by a juvenile or adult participating in a supervised work or service program, performing community service or providing restitution under Title 15, section 3301 or 3314 or under Title 17-A, section 1345, including a claim arising from death or injury to the juvenile or adult or damage to the adult's or juvenile's property.

[2007, c. 275, §1 (AMD) .]

2. No effect on other liability or immunity. Nothing in this section creates liability for any claim or waives any immunity otherwise available.

[1997, c. 619, §1 (NEW) .]

3. Charitable organization defined. For the purposes of this section, "charitable organization" means any nonprofit institution or organization organized or incorporated in this State or having a principal place of business in this State that is exempt from federal income taxation under the United States Internal Revenue Code, Section 501(a) because the nonprofit organization is described in the United States Internal Revenue Code, Section 501(c)(3).

[1995, c. 566, §1 (AMD) .]

3. Permissive use. An owner, lessee, manager, holder of an easement or occupant who gives permission to another to pursue recreational or harvesting activities on the premises does not thereby:

- A. Extend any assurance that the premises are safe for those purposes; [1979, c. 253, §2 (NEW) .]
- B. Make the person to whom permission is granted an invitee or licensee to whom a duty of care is owed; or [1979, c. 253, §2 (NEW) .]

 - (1) The landowner or the landowner's agent by the State; or
 - (2) The landowner or the landowner's agent for use of the premises on which the injury was suffered, as long as the premises are not used primarily for commercial recreational purposes and as long as the user has not been granted the exclusive right to make use of the premises for recreational activities; or [1995, c. 566, §1 (AMD) .]
- C. For an injury caused, by acts of persons to whom permission to pursue any recreational or harvesting activities was granted, to other persons to whom the person granting permission, or the owner, lessee, manager, holder of an easement or occupant of the premises, owed a duty to keep the premises safe or to warn of danger. [1995, c. 566, §1 (AMD) .]

[1995, c. 566, §1 (AMD) .]

[1991, c. 487, §1 (NEW) .]

2. No remuneration. The owner, lessee or occupant of the premises may not receive any remuneration from the municipality or regional association for allowing recycling activities to be conducted on the premises.

[1991, c. 487, §1 (NEW) .]

3. Limited liability. An owner, lessee or occupant of the premises is not liable for personal injury, property damage or death caused by recycling activities within 20 feet of the containers used in recycling activities. The containers used in recycling activities are considered other machinery or equipment, whether mobile or stationary, under Title 14, section 8104-A, subsection 1, paragraph G for which the municipality or regional association is liable as provided by the Maine Tort Claims Act.

A lake association that has obtained a permit from the former Department of Conservation or the Department of Agriculture, Conservation and Forestry to place navigational aid markers in great ponds is not liable for personal injury, property damage or death caused by placement or maintenance of those navigational aid markers as long as the lake association has placed or maintained the markers in conformance with the terms and conditions of the permit.

[2013, c. 405, Pt. D, §12 (AMD) .]

3. No remuneration. In order to qualify for the immunity granted in subsection 2, a lake association may not receive any remuneration from the State or otherwise for placing navigational aid markers in great ponds.

§160. CERTAIN CASES OF NEGLIGENCE

In actions to recover damages for negligently causing the death of a person or for injury to a person who is deceased at the time of trial of such action, the person for whose death or injury the action is brought shall be presumed to have been in the exercise of due care at the time of all acts in any way related to his death or injury, and if negligence of the deceased is to be relied on as a defense, it shall be pleaded and proved by the defendant. §161. WHEN LACK OF PRIVACY NO DEFENSE IN ACTION AGAINST MANUFACTURER, SELLER OR SUPPLIER OF GOODS

Lack of privacy between plaintiff and defendant shall be no defense in any action brought against the manufacturer, seller or supplier of goods under Title 14, section 221 or for negligence, although the plaintiff did not purchase the goods from the defendant, if the plaintiff was a person whom the manufacturer, seller or supplier might reasonably have expected to use, consume or be affected by the goods. §163. RELEASE OF JOINT TORTFEASORS

Whenever a person seeks recovery for a personal injury or property damage caused by 2 or more persons, the settlement with or release of one or more of the persons causing the injury is not a bar to a subsequent action against the other person or persons also causing the injury. [1999, c. 633, §2 (AMD); 1999, c. 633, §3 (AFF).]

Evidence of settlement with a release of one or more persons causing the injury is not admissible at a subsequent trial against the other person or persons also causing the injury. After the jury has returned its verdict, the trial judge shall inquire of the attorneys for the parties whether such a settlement or release has occurred. If such settlement or release has occurred, the trial judge shall reduce the verdict by an amount equal to the settlement with or the consideration for the release of the other persons. With regard to a settlement in which the plaintiff has entered into an agreement that precludes the plaintiff from collecting against remaining parties that portion of any damages attributable to the settling defendant's share of responsibility, the judge shall reduce the plaintiff's judgment by either the amount determined at trial to be attributable to the settling defendant's share of responsibility, if any was found, or, if no such finding is made, by the value of the consideration given to the plaintiff for the settlement. 1. Liability without proof of negligence. A natural gas company or an intrastate or interstate natural gas pipeline company that stores, transports or distributes natural gas is liable for all acts and omissions of its servants and agents that cause death or injury to persons or damage to property resulting from explosions or fire caused by natural gas escaping from the natural gas storage, transportation or distribution system under its control or from explosions or fire caused by defects in the natural gas storage, transportation and distribution systems under its control.

[1997, c. 222, §1 (AMD) .]

2. Rebuttable presumption. [1997, c. 222, §1 (AMD) .]

3. Exceptions. The company is not liable for death or injury to persons or damage to property caused by:

[1995, c. 299, §1 (NEW) .]

4. Application. This section applies to all good faith donations of perishable food that is not readily marketable due to appearance, freshness, grade, surplus or other conditions, including food that is beyond the date by which the manufacturer recommends that the food be sold, but nothing in this section restricts the authority of any appropriate agency to regulate or bar the use of that food for human consumption.

[2009, c. 168, §1 (AMD) .]

5. Immunity of facilities and establishments. Notwithstanding any other provision of law, a hospital or other health care facility licensed by the Department of Health and Human Services, or an eating establishment licensed under Title 22, chapter 562 that, in good faith and in accordance with guidelines established by the recipient organization, donates food that is apparently fit for human consumption at the time it is donated to a bona fide charitable or nonprofit organization for free distribution is immune from civil liability arising from injury, illness or death due to the condition or content of the food, unless the injury, illness or death is a direct result of intentional misconduct of the donor.
